Interests: *reading, traveling, swimming*

Email: ***belkis.abudher@gmail.com***

Work: ***b.abudher@uot.edu.ly***

Mobile: *00218 91 313 90 36*

About myself:

I'm a hard-working individual, independent, I take my work and assignments seriously, I have good relations with my employers and colleges.

I like to be challenged and to work out of my comfort zone.

I was bought up in England, which had an impact on my personality in my up-bringing. I have very supportive parents whom encouraged me to become who I am today.

Education:

- *Studied primary school in Great Moor, Stockport, England (1991 – 1996).*
- *Finished the rest of primary school grade 4 to 9 in Libya at El watheka El Khadra School, Tajoura, Tripoli – Libya.*
- *Studied High school at Ftat El Thawra, Tripoli – Libya.*
- *Bachelor's degree in Public Health at Tripoli University (2008) and graduated 2010/2011.*
- *Took an academic IELTS exam with a total score of 6.5 … 16/11/2016.*
- *Completed a professional Diploma in Total Nutrition from the Boston University with the collaboration of UNIDOC medical training in Egypt. Candidate no. bu4124 2/12/2018.*
- *Took an academic IELTS exam with a total score of 7.5 … 23/03/2019.*
- *I gained my masters degree in Leadership & Management in Health and Social Care in 2019/2020 from the University of Southampton, UK.*

Workshops and participations:

- *Attended a workshop in social & psychological support from 12/09/2011 to 31/10/2011 an average of 150 hours, with association with the NCDC.*
- *Attended MEDIC First Aid International course which was for 3 days 17-19/12/2011 (Registry number: 160817, training center: RUS 959).*
- *I taught English enhancement at the Faculty of nursing.*
- *Took part as a clinical instructor with the faculty of Nursing at the Tripoli Medical Centre hospital (TMC).*
- *I was involved in community work (helping the underprivileged gain jobs)*
- *Participated to the course for information relay team "raising awareness of HCWs about HIV infection and blood borne diseases" from May 6th – 9th, 2012. With the National Center for Disease Control and EU team.*
- *Also took part in the training on monitoring & evaluation for HIV/AIDS programs in concentrated and low-level epidemics (modules2, 3 and 5) from 4-6 November, 2012. With the UNAIDS Regional support team for the Middle East and North Africa region and NCDC – Libya.*
- *Participated in a 2-day workshop to review the development of nursing and develop a national strategy for nursing and midwifery in Libya 13-14 May, 2014, with the Ministry of Health, NCDC, EU, and International Medical Corps.*

Places of employment:

- *Gained experience working as a receptionist at the ALTEC center as a summer job (American Libyan Training Education Center).*
- *Worked at Yashfeen clinic as PR since 2009 - 2011.*
- *Worked in the HIV/AIDS and communicable diseases department in the NCDC as a counselor and health educator from April 2012 until January 2014.*
- *Became a demonstrator at the Faculty of Nursing – University of Tripoli since 2013 - 2019.*
