

Curriculum vitae

Personal Data:

Sure Name: *Abdulwahed*
First Name: *Ayad*
Place and Date of Birth: *Gharyan 1954*
Status: Married + 4 Children
Place of Work: Department of Materials and Metallurgical Engineering
Faculty of Engineering, University of Tripoli- Libya
Email: aabd93@yahoo.co.uk
A.abdulwahed@uot.edu.ly
P.O. Box: 13430 University of Tripoli - Libya

Professional: Staff Member
Position: Professor
Qualification: PhD in Engineering *Materials*
Language: Arabic , English

Educational Qualification:

Certificate	Place of Study
Ph.D.	Faculty of Materials Science and Eng., Warsaw University of Technology, 1998, Poland, "Environment effect on the mechanical properties of 316 type steel at elevated temperature"
M. A. Sc	Master of Applied Science from University of Windsor, 1986, Windsor, Ontario, Canada. "Tensile Stress-Strain Analysis of Multiphase Alloys"
B.Sc.	Department of Metallurgical Engineering, Faculty of Petroleum and Mining Engineering, University of Tripoli-Libya, 1980.

Academic Experience:

- Teaching assistant from 1981 to 1982.
- M. A. Sc. Staff Member from 1986 to 1995.
- Ph.D Staff Member from 1999 Up to now.
- 1986 Lecturer assistance in Department of Materials and Metallurgical Engineering, Faculty of Engineering, University of Tripoli.
- 1990 Lecturer in Department of Materials and Metallurgical Engineering, Faculty of Engineering, University of Tripoli.

- 1994 Assistant Professor in Department of Materials and Metallurgical Engineering, Faculty of Engineering, University of Tripoli.
- 2003 Associate Professor in Department of Materials and Metallurgical Engineering, Faculty of Engineering, University of Tripoli.
- 2009 Professor in Department of Materials and Metallurgical Engineering, Faculty of Engineering, University of Tripoli.

Teaching Experience

Undergraduate Program

Introduction to Materials Science, Physical Metallurgy, Metallography Lab., Mechanical Properties of Materials, Mechanical behavior of Materials & Metal Shaping. Supervision of B. Sc. Projects

Postgraduate Program

Advanced Mechanical Metallurgy

Professional Membership

- Membership the IV Arab Congress on Material Science (ACMS), organized by the Department of Materials & Metallurgical Engineering, Faculty of Engineering, Al-Fateh University, Tripoli-Libya, 2005.
- Since 2006 Membership in the Editorial Committee of Journal of Engineering Research Al-Fateh University, Tripoli-Libya.
- Head of the Department of Engineering Management, Faculty of Engineering, University of Tripoli-Libya from 2009 to May 2015.
- Since September 2015 Head of the Department of Materials and Metallurgical Engineering, Faculty of Engineering, University of Tripoli-Libya.
