1 Academic and Professional Qualifications and Awards

<i>University of Kent at Canterbury, UK</i>	Ph.D. <i>Security and Reliability in Distributed Collaborated Environments</i> (2001)
<i>Brunel University, UK</i>	M.Sc. Data Communication Systems (1995).
<i>Sebha University, Libya</i>	B.Sc. Computer Science (1989)

2 Professional History

University Of Tripoli	Associate Professor (present)
<i>Sebha University</i>	Head of Research and Consultation Centre (2007 – 2012) Head of the Department of Computer Science (2003 – 2006) Assistant Professor (2009) Lecturer in Computer Science (2001-2008)

3 Research Interest

My main area of research has been in the field of "Distributed Systems", This work has been in four principal areas: Collaborative Distributed System' applications in E-Government, Security challenges in Ubiquitous Computing, Managing Power Consumption in Wireless Sensor Networks, Deployments of Compression Techniques in Biometric Systems, Pedagogical Frameworks and Visual Tools for Teaching Data Communication Courses.

4 Teaching Experience

Courses Thought

- Distributed Systems
- Information Security Policies and Procedures
- Wireless Sensor Networks

5 Editorial and Advisory Boards

Sebha University Scientific Journal (Editorial Board, 2007-2010)

Have reviewed grant proposals for National Agency for Scientific Research/Libya

Have reviewed article submissions for journals, including *Sebha University Scientific Journal*, *Journal of King Soud University – Computer and Information Sciences(JKSU-CIS)*.
