Jan 2003 – Dec 2008 | **Tutor / an instructor in Endodontic & Operation Department**

University of Tripoli collage of Dentist, Libya

- Tutor / an instructor
- Supervised the undergraduate student and organized regular training for them.
- Educate students on how better care should be given to the patients to prevent oral diseases.

Jan 2003 – Dec 2008 | **General practitioner (part time)**

Central dental Clinic: Libyan ministry of health (part time)

- I worked as a general practitioner (part time) in this center which provides a professional dental service and care for hosted classes in the restorative area.
- My Intention is to develop my interest in Endodontics & Operative dentistry to acquire more sense and experience in general and community dentistry.

EDUCATION

Jan 2010 – Dec 2012 | **Master of Science (MSc) in Clinical Research.**

New York University, College of dentistry -USA

GPA 3.649

The program was focused on knowledge of:

- The safety and efficacy of medications, diagnostics, and medical treatments -
- The complexity of medical and dental clinical research methodology, epidemiology and Biostatistics, ethical and regulatory principles, and evidence-based healthcare over the world.

Jan 2009 – Dec 2011 | **Certificates in Advanced Endodontic and Comprehensive Dentistry program.**

New York University, College of dentistry -USA

I had gained knowledge of the varied techniques in the program by faculty members and guest lecturers also had gotten extensive clinical experiences by approached distinctive techniques and materials. In addition, I got more experience in care of various patients which helped me to work more effectively as a hospital practitioner and university lecturer.

Jan 1996 – Dec 2000 | **Bachelor degree of Dental Surgery- BDS**
