Profile

Motivated and dedicated Assistant Lecturer with an unwavering passion for knowledge transfer and a steadfast commitment to fostering student success. Skilled in creating engaging and interactive instructional materials, cultivating an enriching learning environment, and providing tailored support to learners. Seeking to utilize my expertise to enhance the academic growth and achievement of students within a renowned educational institution.

Education

- B.Sc. in Geophysics (Honors), (1999)
Geophysics Department, Faculty of Science
University of Tripoli, Tripoli, Libya
- Postgraduate Certificate in Engineering Geology (2010) University of Portsmouth, Portsmouth, UK
- Master Degree in Geophysics (2018) Geophysics Department
Faculty of Science, University of Tripoli, Tripoli Libya

Work Experience

Tripoli University ▪ Faculty of Science ▪ Department of Geophysics

Teaching Assistant, 2000 – 2004

- Taught several introductory courses to undergraduate students, including Petrophysics, Mathematical Methods in Geophysics, Geophysics Field, Principles of Geophysical Exploration, and Well logging.

Assistant Lecturer 2022 – present

- Assisted in the development and implementation of curriculum for undergraduate courses, adapting teaching materials to meet the diverse learning needs of students.
- Conducted interactive lectures and facilitated engaging discussions, fostering a stimulating learning environment that promoted critical thinking and active participation.
- Provided individualized mentoring and support to students, offering guidance on academic and career-related matters, resulting in improved student performance and motivation.
- Collaborated with faculty members on research projects, contributing to the creation and publication of scholarly articles, enhancing the academic reputation of the institution.
- The Geophysics department's study and examination coordinator.
- Participated in supervision of students' research projects.
