

Full Name: Omar A Erbeeda

**Contact Information**

G.S.M : 0921154890

E-mail : [kokali422011@gmail.com](mailto:kokali422011@gmail.com)

**Professional mission**

Pharmaceutical and Instrumental analysis in routine analysis

Quality control and Quality assurance guidelines implementation in new projects of Pharmaceutical industry

Sharing in Health care improvement, Medical supply, development of services quality in community

**Educational Qualifications:**

***Doctorate in Pharmaceutical Sciences (PhD, Grade : Excellent) 8/12/2004***

University of Liege, Department of Pharmacy, CHU - Tour 4 - Niveau +4 (Bât. B36), Quartier Hôpital - Avenue Hippocrate, 15, 4000 , Liege-Belgium

***Master of Philosophy in Pharmaceutical analysis (M.Phil ) 9/12/1995***

University of Bradford, School of pharmacy

Dept of Pharmaceutical analysis

West York shire United Kingdom,

9 Richmond Building, BD7 1DP,UK

***Bachelor in Pharmaceutical Sciences (B.Pharm, Good) 4/6/1986***

Tripoli University, Faculty of Pharmacy, Department of pharmaceutical chemistry, Tripoli Libya

### ***Pharmacovigilance Research activity***

- 1-Evaluation and assessment of medical dyes used in some pharmaceutical products  
(Documentary and theoretical project)-2005
- 2- Lack of regulation and specification of Body builders products marketed in Libya  
(Documentary and theoretical project)-2006
- 3-Post market surveillance of different paracetamol pediatric formulations in the Libyan market using chromatographic and UV detection method.,  
Cooperation with the Libyan food and drug control center-2007
- 4-chemical and microbiological Evaluation of different drinking water sources (bottle water and private home made wells) sold in the Libyan market -(last year pharmacy student project-2008 in cooperation with Libyan food drug control center) -2008
- 5-Post market assessment for the heavy-metals content of different cosmetics products in the Libyan market- (last year pharmacy student project in cooperation with Libyan food and drug control center)-2009.

During research student were required to practice compliance with procedures and protocols according to standard quality requirements including maintenance of equipment and materials, the disposal of waste and the ordering of supplies at

### ***B-Drug regularity professional skills***

- 1-Consultant in drugs quality assurance assessment and evaluation,  
The Libyan National Company of Pharmaceuticals, Tripoli, Libya (10/1995 - 10/1998)
- 2-Head department of Quality control and quality assurance  
The Libyan National Center of food and drug control , ((8/2005- 9/2010)
- 3-Head of the scientific committee at the drug control administration  
The National Center of food and drug control , Tripoli, Libya, (10-/2009 – 10/2011)

Ministry of Health,Administration of Drugs and Medical devices  
Sigma-India, March 12-16/ 2009 and Micro labs -India, October 10-14/ 2010

## **Professional development**

### *1-The use of the newly introduced Ultra performance liquid chromatography*

Certified , Full day course on Introduction and Basic awareness of UPLC Waters, organized by Evolv , Ltd, Malta - 2006.

### *2-Regulation guidelines of WHO of vaccines quality control*

Certified, Two Global WHO training workshops on the Network of vaccine release and adverse events following immunization programme

Inter country training workshop on adverse events following Immunization -Tunisia

Inter country workshop on vaccine regulation: Vaccine registration, lot release and control of vaccines (2008-2009)

### *3-Administration*

Well-developed planning and organizational skills with the ability to priority multiple tasks ,set and meet deadlines, demonstrated in work and academic outcomes

### *4-Communication*

Positive interpersonal skills demonstrated through teaching and collaboration as part of research teams ,excellent feedback on oral presentation and Power point skills throughout studies . Scientific report writing skills that show precision, attention to details and conform to procedural guidelines.

## **Technical experience (1999-2012)**

University of Tripoli, Faculty of Pharmacy,Department of pharmaceutical chemistry

Pharmaceutical analysis and quality control, Instrumental analysis including

Separation techniques, HPLC,GC,CE,UPLC, Spectroscopy- (UV-MNR-IR)- Electrophoresis methods, Electrochemical methods .

Quality assurance and control ,(ISO ,FDA ,EMA)

## **Professional Affiliation**

The federation international of pharmacists FIP (1992-1995)

Member of the Belgian pharmaceutical sciences society (2000-up to date )

Member of Les amis de University de Liege (friends of Liege University) 2004

Member of the Libyan pharmaceutical syndicate 1995- up date)

## **Professional workshops and meetings:**

**Scholarships and Awards:**

- 1-Governmental scholarship ,Ministry of Higher education, Libya (1992-1995)  
Nominated for postgraduate studies to obtain Master degree, University of Bradford,UK
- 2-Governmental scholarship , Ministry of Higher education, Libya (1999-2005)  
Nominated for postgraduate studies to obtain Doctor degree in Pharmacy, University of Liege,department of Pharmacy, Belgium
- 3-Symposium Award to participate in the 26<sup>th</sup> International Symposium of High Performance Liquid Phase Separations and Related Techniques (HPLC 2002), Montreal, Canada, June, 2-7, 2002.
- 4-Sepaticale leave , University of Tripoli, Faculty of Pharmacy, Tripoli, Libya. University of Liege, Department of Pharmacy, Belgium, 2012.
- 5-Approved invited as external professor at Catholic University of Leuven, Faculty of Pharmacy, department of pharmaceutical analysis, Belgium, (2011, Not attended due to certain difficulties)

**Languages**

**English:** Excellent speaking and writing:

Extensive English courses, Bill School ,Norwich, UK 1992

Academic writing and presentation for Master and PhD students, University of Bradford Library-1993

**French :** Good Speaking, reading and writing

One year course study ( Institute Saint Laurent, Liege),(6 years residency in Belgium)

**PC skills in writing and presenting reports ,**

Computer basic information-word office -data statistical treatment -documentation  
Intranet,photoshop, site design

**Social activities:**

- 1-Member of the Libyan seniors Boy Scout club since 1978, sport, picnic and camping
- 2-Participation in the Aid of the Libyan Refugee at the Tunisian border with Tunisian crescent during 17 Feb revolution 2011.

## **1-Professional International presentation**

### Oral presentations

1-Oral presentation at the 6th Scientific Congress of the Association of the Pharmacy Colleges in the Arab World and the 1st International Conference of the Faculty of Pharmacy and Health Sciences – AUST, Ajman, U.A.E, October 19-21, 2002.

2-Oral presentation at 11th Forum of the Pharmaceutical Sciences  
Spa, Belgium, May 8-9, 2003.

*3--Oral presentation Food supplements, the need of harmonization of regulations and quality control requirements, The 3th Libyan conference of the pharmaceutical sciences, 10 October 2008, Musrata, Libya.*

*4-Oral presentation in the Jordanian pharmaceutical society conference, 22-24 April-2010  
Amman Jordan*

### **Publication thesis and dissertation:**

Dissertation of Master of Philosophy in Pharmaceutical analysis-  
Tiltel: Application of new packing materials as stationary phases for HPLC  
Great Britain

Doctoral Thesis in pharmaceutical sciences, University of Liege, Department of pharmacy, Liege, Belgium

*Title: Validation of fully methods of determination of drugs and metabolites in biofluids using restricted access materials with ion exchange properties for sample clean-up, University of Liege Library- 8-12-2004*
