

CURRICULUM VITAE

OF

**DR. YAZED MUSA BEN SHABAN
PH.D in CHEMISTRY**

Name and Surname : **Yazed Musa Abou-Zaid BEN-SHABAN**
Educational Attainments :PH .D . In Chemistry
Place and Birthday : Zuwara, 08/06/1966
Marital Status : Married
Home Address :Tripoli- Hay Al- Waha Al-Arabia

Educational Stages :

First:

Primary Stage : Tripoli
- Tolaitela Primary school-1976

Second:

Preparatory Stage : Tripoli
- Al-Wahda Al-Arabia school-1979

Third:

Secondary Stage: Tripoli
- Guergash Secondary School -1982
With proficient classification grade of 76 %

In 1983 , I Join Al-Fateh University at Tripoli, Where I elaborate a one year study ; then, I shifted to the ministry of Energy , and earning a voyage to the soviet Union to continue high studies in the chemistry field.

On the 13th of September 1984, I traveled to Soviet Union.

In the year 1984/1985, I elaborate a study of the Russian Language in Kiev-Ukraine, at the Kiev Government University.

In the year 1986/1987,Ive joined the Leningrad Government University at the United Republic of Russia, and completed my University subject in1989, immediately , initiated to prepare for Magistrate Degree, which I've achieved in 1991.

In 1992, Started the insensitive sciences study (for a Ph.D. Degree) in the Faculty of Chemistry at the St. Petersburg Government University

(Formerly Leningrad), on the inside of the this, I've formulated different scientific research related to the same field, also, Cooperate in numerous scientific seminars.

In 1998, I submit my dissertation for a Ph.D. Grade, which I possess with predotinance (means with the full approval of the members of the committee of which I discussed this dissertation).

Experiences

2001-2003:

Nominated in the National Board for Scientific Research (**Nuclear Research Center**), As Third Researcher in Treatment of the Chemical Waste.

2003-2004:

- Educational Board member in The University Al-Jafara, Faculty of Science, in the Chemistry Department.
- Head of the Chemistry Department.
- Cooperate with other University as member in The Educational Board.

2004-2006:

- Educational Board member in The University Al-Fateh, Faculty of Science (Branch Al-Jafara), in the Chemistry Department.
- Head of the Chemistry Department.
- Cooperate with other University as member in The Educational Board.

2006-2009:

- Head of the Faculty of science (Branch Al-Jafara).

2009-2019:

- Educational Board member in The University of Tripoli (Formerly Al-Fateh), Faculty of Science in the Chemistry Department.

Coordinator of Study and Examination in the Chemistry Department.

2021-2023 :

- Head of the Chemistry Department in the Faculty of Science in The University of Tripoli.
