Masters Thesis

Title: *Language Use and Script Use in Online Communication in Libya*

Supervisor: Professor Paul Kerswill

Description: The thesis focused on how much Libyan people use English and Arabic in social networks (specifically Facebook) in order to find out the preferred language used in different Facebook activities and situations. The thesis also investigated the use of Romanised Arabic (i.e. writing Arabic with English letters) in online communication and the reasons/people's attitudes behind using this kind of script. The research was conducted through an online survey questionnaire.
