

A. Oun

Tripoli - Libya

Mobile: +218917615272

Email: a.oun@uot.edu.ly, Abdulhamid.oun@gmail.com

Personal Details:

Date of Birth: 11th Oct 1981
Domicile: Libya

Sex: Male

Summary:

A dedicated and knowledgeable professional with a unique blend of experience as a local guide and IT networking specialist. A passionate and knowledgeable local expert with an in-depth understanding of the history, culture, and hidden treasures of Tripoli/Libya. With years of experience living and working in the area, I have developed a unique insight into its landmarks, traditions, and the stories that make it truly special. My strong communication skills, combined with a deep love for Tripoli/Libya, enable me to provide engaging and informative experiences for visitors and residents alike.

In addition to my guiding expertise, I bring 15 years of hands-on experience in IT and networking, specializing in troubleshooting, system administration. I have a proven track record of delivering reliable, secure, and efficient IT solutions, ensuring seamless connectivity and robust network infrastructure for businesses and clients. My ability to work across both technical and customer-facing roles enables me to provide a well-rounded perspective, ensuring both technical and personal needs are met effectively. Adept at working under pressure, meeting deadlines, handling multiple tasks simultaneously, highly organised, and enthusiastic. A team player who can collaborate effectively with diverse stakeholders, from developers to clients. A lifelong learner who is always eager to update and enhance his technical knowledge and skills.
