## EMPLOYMENT & EXPERIENCE

**Pharmacology & clinical pharmacy department coordinator in the exam & a study centre** Jan 2021 – Sep 2023

Faculty of pharmacy, Tripoli-libya

it is about co-ordination between commands, instructions & time tables between the scientific department & the study & exam center.

**Electronic corrector** Jan 2020 – Jan 2024

Faculty of pharmacy, Tripoli-libya

Using a computer & a scanner with a specific program in the exam & study centre, I had correct lots of student exam papers in the study & exam centre.

**Member at quality & improvement team.** Jan 2024 – Present

Faculty of pharmacy, Tripoli-libya

working along with the quality & improvement staff, this to assess the faculty to get quality accreditation from quality & improvement Centre in Libya.

**Bsc projects supervisor for many BSc students** Jan 2021 – Present

faculty of pharmacy, tripoli-libya

I am interesting in many area of researches, mostly those about a clinical pharmacy , a community pharmacy, a pharmacy practice & the therapeutics. for example: DDI, off label use, alternative drugs, therapeutic plan management & TM, a drug use for a specific disease.

I met a student, then we select the most appropriate topic for a student . all projects are not identical in a methodology, for instance, I have projects with a systematic reviews SR, others with surveys, and others evaluate prescriptions, ..... etc

**Demonstrator** Jan 2008 – Oct 2014

faculty of pharmacy, tripoli-libya

I was working as a demonstrator in a clinical pharmacy , & 1st aid courses in BSc pharmaceutical science program.

**Lecturer assistant** Oct 2014 – Present

Faculty of pharmacy, Tripoli-libya

I am working as a lecturer assistance in team work with others in:

1. physiology 1.
2. pharmacology 1.
3. Pharmacology 2.
4. Therapeutic 1.
5. Therapeutic 2.
6. Bioassay.
