- Following up projects with Libyana mobile operator concerning their network monitoring, fraud management, and revenue assurance.

EDUCATION

TRIPOLI UNIVERSITY, Tripoli, Libya
Master of Science in Computer Engineering, Sep 2011

- GPA: 3.4/4.0

TRIPOLI UNIVERSITY, Tripoli, Libya
Bachelor of Science in Computer Engineering, Mar 2006

- GPA: 83.0/100.0

ADDITIONAL SKILLS

- Cisco Routers and Switches Configuration including but not limited to IP subnetting, IP Routing, smart switches, and VLANS
- Voice Over IP
- Cisco Unified Call Manager Administration
- Experience in Configuring and supporting Cisco QoS
- EMC NetWorker Backup Skills
- NetApp Storage Skills
- Linux Basics
- VSAT Communications
- Professional use of MS Office (especially Excel, Access, Word, Outlook, Power Point, Visio, Project, & Front page).
- Project Management
- Presentation Skills
- Technical Proposal Preparation
- Researching and publishing papers
- Good Time Management and Organizational Skills
- Excellent Communication Skills
- Teamwork to Exceed Client Expectations
- Able to Work Under Pressure
- Planning and Coordination Skills

PROFESSIONAL DEVELOPMENT

8th – 14th October 2006:
OFS1, Oil Field Services by Schlumberger (UAE)

25th – 27th November 2006:
Petroleum Exploration & Production by NExT (Libya)

Nisreen Benltayef   * 00218 92 502 4921 *   n.benltayef@uot.edu.ly

15th – 19th January 2007:
Introduction to satellite communication & space track by Schlumberger DMS

March 2007:
Cisco Certified Network Associate by Silicon Information Solutions (Libya)
- Cisco certified network associated (CCNA Holder)

2nd – 5th September 2007:
Cisco Voice over IP by Synergy Professional Services Training Center (Egypt)
- CVOICE exam has been passed in 16th December 2007

9th – 13th September 2007:
Cisco IP Telephony by Synergy Professional Services Training Center (Egypt)
- CIPT1 exam has been passed in April 2009

28th May – 2nd June 2007:
Build-IT 2 Infrastructure Services by SLB Kuala Lumpur Collaboration & Training Center (Malaysia)
- Topics Covered: Presentation Skills & Project Management

22nd – 26th June 2008:
Implementing Cisco Unified Call Manager Part 2 v6.0 (CIPT2) by Synergy Professional Services (Egypt)
- CIPT2 exam has been passed in 29th November 2008

10th – 14th May 2009:
Implementing Cisco Quality of Service (QoS) v2.2 by Synergy Professional Services – Global Knowledge (Egypt)
- QoS exam has been passed in 23rd May 2010

5th – 10th Oct 2009:
OFS3 (Leading & Managing People) – (UK)

9th – 17th Nov 2009:
Build-IT 3 Infrastructure Services by SLB Collaboration & Training Center (UK)
- Topics Covered: Sales, Presentation Skills, & Project Management

7th – 11th Jun 2010:
Troubleshooting Cisco Unified Communications Systems (TUC) v1.0 by Synergy Professional Services – Global Knowledge (UK)

13th – 17th Feb 2011:
NetApp Data ONTAP 7.3 Fundamentals (DOTF7.3) by Fast Lane (UAE)

14th – 18th Oct 2012:
Project Management by NExT (Libya)

5th – 9th Nov 2012:
Red Hat System Administration I (RH124) by Red Hat (UK)

12th – 23rd Nov 2012:
NetApp NCDA boot camp (NCDABC) by Fast Lane (UK)

14th Apr– 18th Apr 2013:
EMC NetWorker Installation, Configuration, & Administration by EMC Education Training Center (UAE)

10th Apr – 12th Apr 2014:
Smsung Lab Project (J2ME, Android, & Smart TV) by Esprit College (Ariana – Tunisia)

13th Mar – 16th Mar 2016:
Strategic Management, by university of Tripoli research, consulting, and training center (Tripoli – Libya)

CERTIFICATIONS and SPECIAL REWARDS

2002:
Awarded a certificate from Tripoli University, Faculty of Engineering for completing the general science courses and obtaining the second highest score.

2007:
CCNA, Cisco Certified Network Associate.

2007:
Awarded a certificate from Tripoli University, Faculty of Engineering for graduating in a distinguish period while obtaining the second highest score.

2009:
Awarded Great job recognition by Schlumberger for good performance and efforts done working on Hess offshore connectivity project.

2009:
Awarded Great Job recognition by Schlumberger for good performance and efforts done working on ExxonMobil offshore connectivity project.

2013:
Academic International English Language Testing System Certificate with an overall band score of (7).

2018:
Authoring a paper that is titled (Data Center Virtualization) which has been published by LICEET (Libyan International Conference on Electrical Engineering and Technologies) 2018.

2022:
Authoring a paper that is titled (Improving Network's Performance by Applying Different Quality of Service Mechanisms) which has been published by MI-STA (International Maghreb Meeting of the Conference of Sciences and Techniques and Computer Engineering) 2022.
