- COVID-19 Vaccination Hesitancy: Preliminary Questionnaire Survey of Knowledge and Attitudes in Libya (June 2021). *Juniper Online Journal of Public Health (JOJ pub Health)*.
- Hospital-acquired pneumonia and ventilator-associated pneumonia in adults at Tripoli Hospitals: incidence of infection, etiology, and clinical outcomes (March 2021). *International Journal of Alternative and Complementary Medicine (IJACM)*.
- COVID-19 Triage System in Tajoura, Tripoli, Libya (March 2021). *Irish Interdisciplinary Journal of Science & Research (IIJSR)*
- Bacterial Agents of Enteric Diseases of Public Health Concern in Benghazi City, Libya (February 2021). *Middle East Journal of Applied Science & Technology (MEJAST)*.

SKILLS AND PROFICIENCIES

- **Teamwork and Communication Skills**

Worked with small and large teams in several research projects.

Offered alternative solutions to improve research.

- **Classroom Management**

Encourages students to deliver short presentations summarizing the upcoming lesson

Establishes rapport with students

- **Test Construction**

Regularly evaluates students' performance through weekly quizzes

Constructs mid-term and final examinations in various formats to gauge knowledge.

- **Lesson Planning and Module Design**

Provides learning checklists to students at the beginning of the term.

Uses online teaching tools to facilitate virtual learning.

- **Good communication skills**

- **Organized**

- **Good time management skills**

- **Dedicated**

- **Fast learner**

- **Motivated**
