Education

- PhD: The median raphe-dorsal hippocampus serotonergic pathway GABA_A receptor regulator. Newcastle University, Institute of Neuroscience Department of Neurology, Neurobiology and Psychiatry, Newcastle Upon Tyne-UK, **2005-2009**.
- Msc.: Study of the antidepressant and anxiolytic activities of the methanolic leaf extract of *Mitragyna Speciosa korth* and its effect on the level of some brain biogenic amines. U.S.M. (University Sain Malaysia)/ Penang-Malaysia **1995-1998**.
- Bsc.: Faculty of pharmacy/ University of Tripoli, Tripoli-Libya in **1984-1989**.

Work experience:

- **A Demonstrator** at the Department of Pharmacology and Clinical pharmacy, Faculty of pharmacy, Tripoli University, Tripoli-Libya (**1992-1995**).
- **An Assistant lecturer** at the Department of pharmacology and therapeutics, Faculty of pharmacy, University of Tripoli, Tripoli-Libya (**1999-2005**).
- **A lecturer** at the Department of Pharmacology and Clinical pharmacy, Faculty of pharmacy, University of Tripoli, Tripoli-Libya (**2009-2011**).

- A member in committee of Quality Assurance at University of Tripoli (2012-2013).
- **Head of Department of Quality Assurance** at University of Tripoli, Faculty of pharmacy, (April 2013-2014).
- As **an Associate Professor** at the Department of Pharmacology and Clinical Pharmacy, Faculty of Pharmacy, University of Tripoli, Tripoli-Libya (2016).
- As **Head of Department** of Pharmacology and Clinical pharmacy, Faculty of Pharmacy, University of Tripoli, Tripoli-Libya (2016).
- As postgraduate studies coordinators (2018 till now).
- **Head of the Department of Cultural Relations and International Cooperation**, Faculty of Pharmacy, University of Tripoli, Tripoli-Libya (2022).

Languages: Arabic, English, Turkish and Deutch.

IT: Windows Microsoft and Statistic software's (e.g : Spss and Sigma plot).

Civil society activity:

- A member in Committee of Women Support in Decision- making (November 2011-2013).
- A member in the National Academic women group (2011-2012).

Published and unpublished works:

Participation and attendance at conferences

حضور ومشاركة فاعلة في مؤتمرات خارجية وداخلية

- **The Tunisian Chemistry Conference TCC 2018, 16-20 December 2018, Hammamet- Tunisia. The anxiolytic-like activity of the extract of *Mitragyna Speciosa*.**
- The 2nd Applied Chemistry Conference, November 2017, Hurghada-Egypt. **The antidepressant-like activity of the extract of *Mitragyna Speciosa*.**
- First Libyan Conference of Medical and Pharmaceutical Sciences- National University April 2017 - Ganzour - Libya. الجامعة الاهلية بجنزور **A retrospective study of the common bacterial disease effecting Neonates in Libya.**
- The 19th Congress of the association of pharmacy colleges in the Arab world. October 18-20th, 2016 – The international conference of the School of Pharmacy- International University of Lebanon. تطوير أفاق الصيدلة: تلازم التعليم والممارسة والبحث العلمي. **The effect of neuroactive steroids on T-maze.**
- American Association for Science and Technology, International Journal of Clinical Medicine Research. **A retrospective study of Leukemia in Libyan Children. 2016:3:55-59.**
- 16th Asian congress of Pharmaceutical Sciences FAPA 1996. Kuala Lumpur, Malaysia. **The anxiolytic-like activity of the extract of *Mitragyna Speciosa*.**
