ORCID ID: https://orcid.org/0000-0002-9855-2465?lang=en&fbclid=IwAR0wy-qWuidbU6eOxs0A3uJYB_8eTtkx4zBe6i0CEgEnnZC0qC0xBD0VrjI

EDUCATION

2018-2019 **MSc, Pharmacognosy**, Faculty of Pharmacy, University of Tripoli

2006-2010 **Bpharm, Pharmaceutical Sciences** with **first rank honour**, Faculty of Pharmacy, University of Tripoli

2002-2006 High school certificate, Ali Sialah high school, Tripoli, Libya

HONOURS AND AWARDS

2012 University of Tripoli scholarship for postgraduate study

2010 Choice of my graduation project within outstanding researches in scientific day, Faculty of Pharmacy, University of Tripoli

2010 First rank honour on the Pharmacy graduates' level

ACADEMIC EMPLOYMENT

2023- present **Lecturer**, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli

2019-2023 **Lecturer Assistant**, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli

2012-2019 **Teaching Assistant**, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli

PUBLICATIONS

Peer-Reviewed Journal Articles

- December 2022 - **HN Mughrbi**, SS Saadawi, SA Masoud. The effect of tea additives and decoction time on the antioxidant activity of traditional Libyan tea. *Asian J. Adv. Res.* 16 (12), 119-124.
- April 2022 - Sakina S. Saadawi, Rokaya O. Amara, **Hanin N. Mughrbi**, Bushra M. Dakhil, Riham M. El-Moslemany, Khadija O. Turkman, Masarra A. Daraweel, Khairi A. Alennabi, Rabia O Alghazeer. Green Synthesis and Characterization of Libyan Propolis Nanoparticles and its Biological Activity. *South Asian Res J Pharm Sci*, 4(2): 28-35.
- August 2020 - **Mughrbi, H. N.**, Auzi, A. A., & Maghrbi, H. Phytochemicals, Nutritional Value, Antioxidant, and Anticoagulant Activity of *Lactuca sativa* L. Leaves and Stems. *Borneo Journal of Pharmacy*, 3(3): 152-161
- May 2020 - **Mughrbi, H. N.**, Ahmed, S. A., Saadawi, S. S., Haman, M. R., Ghashout, L. A., and Elattar, E. R. Microscopical Characters, Heavy Metals Level and Histopathological Effects of *Lawsonia inermis* L. Leaves in Female Mice. *Asian Journal of Advanced Research and Reports*. 10(2): 8-15.
- April 2020 - Sakina Salem Saadawi, Khairi Ali Alennabi, **Hanin Nafed Mughrbi**, Kholoud Lotfi, Nesrin Saleh Ali Abdalnabi. Physical Properties, Antibacterial and Antioxidant Properties of Raw South Africa Shea Butter against Samples from Libyan Market. *International Journal of Progressive Sciences and Technologies*. 20(1): 194-200.
- April 2020 - **Hanin Nafed Mughrbi** and Abdurazag Abdussalam Auzi. *Lactuca sativa* Stems as the Source of Bioactive Compounds as well as the Leaves. *Journal of Pharmacy and Pharmacology*. 8(5):143-150.

CONFERENCES

Papers Presented

2018 “Study of adverse effects of henna (*Lawsonia inermis* L.) colouring additives on female experimental mice”. 2nd Libyan Conference on Medical and Pharmaceutical Sciences. University of Tripoli Alahlia, Tripoli, Libya. April. 28.

RESEARCH EXPERIENCE

2016-2019 **Postgraduate student**, MSc research title “Phytochemicals, Nutritional value, Antioxidant and Anticoagulant Activity of *Lactuca sativa* L. Leaves and Stems”, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli. Supervisor: Prof. *Abdurazag Abdussalam Auzi*

2009-2010 **Undergraduate student**, graduation project title “Study of adverse effects of henna (*Lawsonia inermis* L.) colouring additives on female experimental mice”, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli. Supervisor: Prof. *Mukhtar Ramadan Haman*

2008-2009 Training program for scientific research, Pharmaceutical and Medicinal Chemistry Department, Faculty of Pharmacy, University of Tripoli

Report of the research project in the field of Medicinal chemistry

TEACHING EXPERIENCE

Undergraduates

2012-present Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli

Subjects:

Pharmacognosy, theoretical and practical, (leaves and herbs, barks and woods, roots and rhizomes, and unorganized drugs). Fall 2019, 2020.

Phytochemistry, theoretical and practical, (volatile oils) Fall 2021, Spring 2022.

Applied Pharmacognosy, practical, (chromatography). 2013, 2015, 2016

ADMINISTRATIVE TASKS

2021-2022 **Head of Teaching Materials Department**, Faculty of Pharmacy, University of Tripoli.

2020-2021 **Coordinator of study and exams** at Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli.

ACADEMIC AND ADMINSTRATIVE EXPERIENCES

2022 **Chairman of the Preparatory Committee**, Pharmacognosy Scientific day, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli.

2016 **Organizer**, Graduation ceremony (Pharmacy class 35), Faculty of Sciences, University of Tripoli

2016 **Organizer**, Scientific day, Pharmacognosy Department, Faculty of Pharmacy, University of Tripoli

2013 **Organizer**, Symposium " Your Health is in Your Plate", Libyan-French Health Society and Pileje Foundation, Faculty of Pharmacy, University of Tripoli

MEDICINES DISPENSING EXPERIENCE

2010-2012 **Pharmacist**, private pharmacy, Tripoli, Libya

LANGUAGES

Arabic---Native Tongue

English---Fluent
