8. Researcher in the department of prosthetic dentistry, university of Malaya (2019-2023).

MEMBER SHIP:

1. Libyan Dental Association, membership No 81, 2002.
2. Libyan Red Crescent Association; (1983-2000).
3. Member of the Association of members of the teaching staff. (2012-2022)
4. Member of the Founding Committee of the Center for Training, Research, Consultancy and Scientific Research- Faculty of Dentistry- University of Tripoli (2016 -2018).
5. Member of the dental implant unit at the educational hospital of dental faculty- University of Tripoli. (2016-2018.
6. Active member of the Digital Dentistry Society (DDS) since 2021 to the present.

Positions held

1. General Coordinator of Clinical Training Clinics at the Faculty of Dentistry- University of Tripoli. (2009-2012)
2. Information Officer at the Association of faculty members of the Faculty of Dentistry- University of Tripoli. (2013-2015)
3. Captain faculty members - Faculty of Dentistry - University of Tripoli. (2015-2016)
4. Vice President of the faculty members - Faculty of Dentistry - University of Tripoli. (2016-2017)

Courses and workshops:

1. "SimPlant – Teaching Workshop", May 2004, Faculty of Dentistry, University of Malaya, Kuala Lumpur, Malaysia.
2. "Critical Appraisal of Clinical Dental literature Workshop", October 2004, Faculty of Dentistry, University of Malaya, Kuala Lumpur, Malaysia.
3. "Chrome Cobalt, Crown and Bridge and Porcelain built up Workshop", January 2005, Faculty of Dentistry, University of Malaya, Kuala Lumpur, Malaysia.
4. "Excellence I.P.N.- Complete Denture Workshop" February 2005, Faculty of Dentistry, University of Malaya, Kuala Lumpur, Malaysia.
5. Infection control workshop- faculty of Dentistry- University of Tripoli. March- 2012
6. Dental 3d printing-level 1, Fundamentals of dental 3D printing. 29.Aug.2020
7. Virtual Scientific Meet-V 2.0. Digital Prosthodontics. 20Th February 2021
8. International caries detection and assessment system (ICDAS) calibration exercise. University of Malaya, April, 2022.
9. Webinar “ How to write systematic review” . July 2022. UM

Forums and symposiums:

1. "PEARLS & PITFALLS: Preparing yourself for successful Implant Practice" September 2005, Seminar organized by Unit of Implantology, Faculty of Dentistry, University of Malaya, Kuala Lumpur, Malaysia,.
2. "Integrated Management of Cleft lip and Palate Patient", October 2004 Symposium held at Faculty of Dentistry, University of Malaya, Kuala Lumpur, Malaysia,.
3. "Ekspo Penyelidikan, Rekapipta dan Inovasi" Julai 2006, Forums for Fundamental Research conducted by IPPP, UM Research, University of Malaya.
4. Tripoli Medical Education Conference II (Work Shop Organized By The University of Tripoli) 27-2-2016
5. Work shop (The role of scientific departments, research centers and government institutions in the success of public research programs) organized by Department of Geography and Geographic Information Systems Faculty of Arts, University of Tripoli, 24-5-2016
6. The first scientific day at the Faculty of Dentistry (A member of the Scientific Committee) July -2016
7. MSA 1st international online symposium (Digital Dentistry- Secret Unlimited). 17-19- Sep-2020

Conferences:

1. International Conference on Oral Health "Towards a Holistic Approach in Oral Healthcare". May 2004, Sun-way Lagoon Resort Hotel, Kuala Lumpur, Malaysia,.
2. International Conference on Oral Health " Oral Health and disabilities; Caring and Giving". April 2005, Pan Pacific Hotel, Kuala Lumpur, Malaysia.
3. 20th IADR" International Association for Dental Research" S.E.A." South East Asia Division" and 16th SEAADE Annual meeting in Malacca, Malaysia, September 2005.
4. IADR general Session and Exhibition, June 2006, Brisb, Australia.

5. LAIDEC 2013" Libyan Annual International Dental Exhibition and Conference", Tripoli, Libya, 20-22 April 2013
6. LAIDEC 2014" Libyan Annual International Dental Exhibition and Conference", Tripoli, Libya, 19-21 April 2014
7. T.D.M. 2016" Tripoli Dental Meeting" Tripoli, Libya, 21-22 May 2016.
8. 2nd University of Malaya - China Medical University Joint Postgraduate Research Symposium. E. Poster presentation. 25-Nov-2021.
9. International Conference in dentistry. Golden Jubilee. Faculty of Dentistry, university of Malaya. 22nd - 23rd Dec.2021.
10. International conference of Dental Sciences (ICDS 2023). Faculty of Dentistry , Tripoli, Libya. Dec.27.2023

Certificates of Honour and Merit:

Golden Medal for the category of fundamental research "The effect of Glass Fiber Reinforcement on The Repair Strength of Poly methyl Methacrylate Denture Base polymer"- poster presentation in EKSPPO, University of Malaya, 2006.

Published Paper and Research:

1. Comparison of the mechanical properties of glass-fiber reinforced PMMA denture base in different periods of water immersion(Oral presentation) in 20th IADR SEA and 16th SEAADE Annual meeting in Malacca, Malaysia, September 2005.
2. The effect of Glass Fiber Reinforcement on the repair. (Poster presentation) in IADR General Session and Exhibition, June 2006, Brisbane, Australia
3. The Effect of Glass Fiber Reinforcement on The Repair Strength of Poly methyl Methacrylate Denture Base polymer (poster presentation). EKSPPO, University of Malaya, 2006.

4. "The Influence of Glass-fiber Reinforcement and Water immersion on Flexural Strength of Repaired Poly Methyl Methacrylate Denture Base Polymer." *Annals of Dentistry, University of Malaya*, 48-49, Vol. 13, 2006.
5. Maxillary Partial Over Denture Opposing Mandibular Fixed Prosthesis (Clinical case report), LAIDEC 2013" Libyan Annual International Dental Exhibition and Conference", Tripoli , Libya, 20-22 April 2013.
6. Repairing Denture Base Resin (Poster presentation), LAIDEC 2014" Libyan Annual International Dental Exhibition and Conference", Tripoli , Libya, 19-21 April 2014.
7. Comparison Between Different Types Of Attachments For Implant Retained Or/ And Supported Over-Denture (Poster presentation), T.D.M. 2016" Tripoli Dental Meeting" Tripoli, Libya, 21-22 May 2016.
8. Comparison Of Flexible And Conventional Denture Base Resin, (poster presentation), T.D.M. 2016" Tripoli Dental Meeting" Tripoli, Libya, 21-22 May 2016
9. Physicomechanical properties of cobalt-chromium removable partial denture palatal major connectors fabricated by selective laser melting.*The Journal of Prosthetic Dentistry* 128.3 (2022): 530-e1.
10. Methods of Evaluating Adaptation and Accuracy of Additive Manufactured Removable Partial Dentures: A Scoping Review." *Sains Malaysiana* (2023).
11. Adaptation of cobalt chromium frameworks fabricated by conventional versus selective laser melting techniques: An in vitro and clinical assessment. *The Journal of Prosthetic Dentistry*. (2024) .<https://doi.org/10.1016/j.prosdent.2024.03.020>.

Subjects I am teaching:

1. Removable Prosthetic Dentistry (Complete and partial).
2. Fixed Prosthetic dentistry.
3. Implant dentistry (Prosthetic view).
4. Prosthetic Maxillo-facial Dentistry.
5. Dental material Science.
6. Digital dentistry.
