

# Dr. Kauther I. Layas

---

1984

I am excited to bring my extensive expertise in industrial pharmaceutical science to your college. With a Diploma in Pharmacy, an MSc in Industrial Pharmaceutical Science, and a recent PhD in Pharmacy, I have developed a solid foundation in both theoretical knowledge and practical applications within the field.

My passion for innovation and commitment to student development drive me to create an engaging and collaborative learning environment. I am eager to work alongside colleagues and students to cultivate a culture of excellence and contribute to the mission of the college. I look forward to inspiring the next generation of pharmacists through dynamic teaching and mentorship.
